VOLUME 23, ISSUE 1

MARCH 2008

WELCOME TO 2008!

The New Year finds Sagatov Associates on the forefront of the "Green" building movement in the DC Metro area. Every Sagatov home currently under construction is being built in accordance with the EPA's Energy Star and Indoor Air Package requirements.

In addition, we actively participate in the Arlington County Green Home Choice program. Two of our new homes have already been certified "Green" by this program, and another is in the final stages of certification.

We are also working to increase awareness and practical knowledge of "Green" building practices throughout the local industry. To that end, Lou Sagatov was recently named Chairman of the NVBIA Green Building Committee in recognition of his knowledge and advocacy of "Green" building science.

Our office is also taking steps towards going "Green". As part of that effort, this edition of the BBT will be the final print edition. For future editions,

you can check out the Newsletter section of our website, or email: info@sagatovhomes.com

to be added to the Black and Blue Thumb mailing list.

On a different note, we are sponsoring 6 Arlington County Babe Ruth Cal Ripken Division Baseball teams for the Spring 2008 season. This is the second straight year Sagatov has sponsored Arlington County baseball, and we are proud

to continue our support!

We hope this newsletter finds you happy and well.

Cheers!

INSIDE THIS ISSUE:

Welcome to 2008 1

BIG 50 AWARD 1

2007 COTY AWARDS 2-3

BIG 50 CLASS OF 2007

Sagatov Associates, Inc is proud to announce our induction into Remodeling Magazine's Big 50 Class of 2007.

This reward is a direct result of our great clients. We would like to extend a warm thank you to everyone for the work and the referrals. In our line of work, client referrals are the sincerest form of flattery. It makes us proud that so many of you feel comfortable recommending us to your friends and loved ones

"Each year, REMODELING magazine inducts 50 companies who have set the standard for professionalism and integrity through smart

marketing, exemplary business practices, unique design, and extraordinary impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead

in raising industry standards."

-Remodeling Magazine

GREEN TIP:

Replace your furnace filter every three months with a filter rated MERV 8 or higher. A clean, high quality air filter reduces energy costs while providing better indoor air quality for you and your family.

2007 COTY AWARD WINNERS

Sagatov Associates was awarded three Contractor of the Year Awards by the National Association of the Remodeling Industry's Metro DC chapter.

"The COTY represents the 'best of the best' in the remodeling and design-build industry."- www.narimetrodc.org
