SAGATOV ASSOCIATES TO BE INDUCTED INTO REMODELING MAGAZINE'S BIG 50

VIENNA, MARCH 16- Sagatov Associates, Inc is proud to announce that we have been chosen for Remodeling Magazine's Big 50 class of 2007! What is the Remodeling Big 50? According to Remodeling Magazine Online:

The Big50 is a remodeling business excellence award for best practices. Every May, REMODELING inducts 50 new companies who have set the standard for professionalism and integrity through smart marketing, exemplary business practices, unique design, and extraordinary impact on their community or the industry at large. Big50 remodelers run successful, growing companies of various sizes that have taken the lead in raising the standards of the industry. To date, more than 1,000 remodelers who have demonstrated such excellence can boast being a member of the Big50.

Being chosen as an industry leader is a reflection of the quality and commitment of our employees and subcontractors. It is also representative of the satisfaction our clients feel when we hand them the keys to their completed project. As we continue to grow as a company, we would like to thank all our clients, past and present, whose diverse visions have helped inspire our constant innovation and evolution.
